

# Ground breaking insurance solutions

High-risk liability insurance for demolition contractors is often expensive and difficult to find.

To meet the special insurance needs of demolition contractors and other building and construction workers engaged in the demolition industry, we have used our experience and standing with insurers to arrange broad, tailored and flexible liability and demolition insurance cover at highly competitive premiums.

## Robust insurance for a tough industry

We work closely with you to assess your risk exposure and support you with strategies to address specific issues. This approach enables you to gain the best protection for your business, in terms of price and quality.

## Tailor-made cover for your trade

Our facilities provide cover for:

- Public, products & pollution liability
- Contract works - to protect the materials you are using both on site and in transit
- Financial loss
- Personal accident and rehabilitation
- Contaminated land expenses and crisis containment
- Wide cover on height, depth and heat
- Hazardous locations extension available
- Options to extend to cover your tools and plant
- Option to extend to cover temporary employees

## Quotations available for:

- Asbestos removal
- Use of explosives
- One-drop method
- Recycling & waste disposal
